THE ROTARY CLUB OF MONTGOMERY / ROCKY HILL

HEROES HONORED IN 2020! We heard from so many people that the flag display lifted their spirits and gave them an opportunity to reflect on what others have done for them, our community, our nation, and the world. We hope it will inspire everyone to make a positive impact on the lives of others. Each flag that was displayed had a medallion which includes the corresponding number below. Group dedications are listed first, then individual honorees alphabetized by last name.
